ORDER

The appellants and appellees in 17-4262 jointly move to sever that appeal from 17-4232 and to stay 17-4262. The court being advised notes that according to the district court's docket, the parties have not filed a Federal Rule of Civil Procedure 62.1 motion in the district court and there is therefore nothing in the record to support the request.

The motion is DENIED.
